

## Welcome to Turkish language classes

### Why Turkish?

- It is not as hard as you think !
- It is a “phonetically” written language which uses latin alphabet.
- It is extremely logical in terms of grammar. Once you have learned how to build up a sentence it will work almost for all.

Pepe & Co Education and Travel Ltd. offers you a great opportunity to learn French from native speakers. It is a great opportunity to discover an interesting and “easy to practice” language.

So don't loose time and book your class now and reach to intermediate level easily in just 6 weeks !
