

## Spanish Kids Club

### Why it is important to start at childhood?

- It will last more longer as it will grow together with cognitive development.
- They don't fear of making mistakes as this is an obstacle for older beginners.
- Children who start to master an other language display positive attitudes to the cultures associated with that language.

Pepe & Co Education and Travel Ltd. offers a great opportunity to introduce Spanish to your children. That will be a great opportunity for your child to explore a whole new world and culture in a very funny and interactive way !

So don't loose time, book for your children and let them discover a new world !
